\$4100 – 4 Days/Week, Mornings (8:30am-12pm)

WHAT TUITION COVERS

Tuition offsets the full cost of each student's education. Tuition covers most costs including curriculum, the highest training for staff, and small class sizes. Tuition does not include personal school supplies, uniforms, school pictures, field trips, and lunches. A supply list will be provided at the beginning of the school year. Uniforms may be purchased through the school uniform shop. Students may bring lunch from home. Lunches through our outside vendors will be available some days of the week and can be pre-ordered.

OTHER FEES

- \$100 Application Fee (Made at time of application)
- \$100 Enrollment Fee (Made at time of application)
- \$40 Financial Aid Application Fee (Made at time of application)

TUITION PAYMENT

- **Plan A (One Payment)** One-time payment due in July. Plan A payments receive a 5% discount on the payment transaction.
- **Plan B (Two Payments)** Two payments in July and December. Plan B payments receive a 2% discount on the payment transaction.
- **Plan C (Monthly Installments)** Monthly payments beginning in July.

MULTIPLE STUDENT DISCOUNT

A 5% tuition discount will be applied for any student enrolling in addition to a family's oldest enrolled student.

The discount applies to full or part time students, as long as they are enrolled for an equal or less amount of time than the oldest enrolled student.

e.g. A Grammar 2 student enrolled in the mornings for five days a week is eligible for the 5% discount if he has a sibling enrolled in the mornings for four days a week in Grammar 4. However, a Grammar 2 student enrolled in the mornings for five days is not eligible for the discount if she has a sibling enrolled two days a week in Grammar 4.

Students must be enrolled simultaneously to receive the discount.

e.g. If a family has three students enrolled at BCA full time, the two younger siblings are eligible for the 5% discount. When the oldest student graduates, the next oldest student will pay full tuition and the youngest student will be eligible for the 5% discount.

FOUNDERS' RATE

Students enrolling at Bonner Classical Academy in our founding year will have tuition increases in any given year capped at 5% for the remainder of their education at BCA.

Founding students must be enrolled continuously to retain the Founders' Rate. The Head of School may permit an exception in special situations.

The Founders' Rate will apply to students from the same family enrolling within five years of the school's founding. However, tuition for subsequent students will begin at the base rate of the current year.

Families enrolling for the first time after the school's founding year are not eligible for the Founders' Rate.

FINANCIAL AID

We understand the sacrifices families make to provide their children a quality education. At Bonner Classical, we desire for our school to reflect the larger community in Sandpoint and North Idaho. A need-based Tuition Assistance program increases the number of qualified candidates who can join our community, and it strengthens every program in the school by including students whose families could not otherwise provide a classical Christian education for their children. FACTS Grant & Aid Assessment will be conducting the financial need analysis for Bonner Classical Academy for the Upcoming school year. Applicants can apply online later this spring. The multiple student 5% discount does not combine with financial aid.
